

# CHASE KIBBEN

Lake Worth Beach, FL ♦ (561) 215-6681 ♦ fedfancnk@gmail.com

## EDUCATION

### **Pursuing Bachelor of Science in Electrical Engineering (May 2026)**

#### **Florida Atlantic University – Boca Raton, FL**

- 4.0 GPA
- Member of Tau Beta Pi Engineering Honor Society

### **Bachelor of Science in Mathematics (May 2023)**

#### **Palm Beach Atlantic University - West Palm Beach, FL**

- 2023 Outstanding Graduate of the School of Liberal Arts and Sciences
- 4.0 GPA
- 2023 Mathematics Department Outstanding Graduate
- President's List each semester from Fall 2019-Spring 2023
- Awarded Freshmen Honors Award for the Year 2019-2020
- Member of Phi Alpha Theta History Honors Society
- Member of the Frederick M. Suppers Honors Program

## RELEVANT COURSES

Calculus I, II, and III, Differential Equations, Programming 1, Signals and Digital Filter Design, Control Systems, Computer Logic Design, Computer Architecture, Intro to Data Science Analytics

## SKILLS

AutoCAD, Python, C, MS Office, Altera Quartus II

## WORK EXPERIENCE

### **Electrical Engineering Intern (May 2024 to Current)**

#### **MAG Engineering, Inc. – West Palm Beach, FL**

- Electrical Design of Residential and Commercial Buildings.
- Drafting in AutoCAD.

### **Custodian (September 2023 to July 2024)**

#### **Lake Osborne Presbyterian Church – Lake Worth Beach, FL**

- Provide cleaning services of the church facilities including bathrooms, floor sweeping, mopping, vacuuming, and various other general janitorial tasks.

### **Elementary Statistics Tutor (August 2022 to April 2023)**

#### **Palm Beach Atlantic University – West Palm Beach, FL**

- Tutored Elementary statistics in group settings, showing communication skills and the ability to problem solve on the spot to help students with topics they struggled with.

## VOLUNTEER

### **Volunteer Media Assistant (August 2015 to Current)**

### **Lake Osborne Presbyterian Church – Lake Worth Beach, FL**

- Duties include utilizing the media system to edit and operate PowerPoint Slideshows during weekly live services and operating church livestream on Facebook Live. Showcased attention to detail, media skills, and ability to work under pressure.

### **Volunteer (August 2015 to July 2023)**

### **Palm Beach County Food Bank – Lake Worth Beach, FL**

- Assisted in the organization and categorization of food items to facilitate efficient distribution at the food bank.

## **ACADEMIC PROJECTS**

### **Data Science Term Project (March 2024 to April 2024)**

- Conducted data preprocessing and exploratory data analysis on a dataset containing sensor readings from an industrial pump and developed predictive models in Python.

### **Arduino Nano PID Controller (March 2024 to April 2024)**

- Implemented a code utilizing a PID controller with an Arduino Nano to regulate the output of an LED, demonstrating proficiency in C programming and circuit construction on a breadboard.

### **ALU in Altera Quartus II (November 2023 to December 2023)**

- Simulated an Arithmetic Logic Unit (ALU) in Altera Quartus II as a part of Computer Logic Design. Showcased C programming skills and the ability to problem solve.

### **Elementary Statistics Stats Project (September 2020 to December 2020)**

- Collaborated with a team of six students on a statistics project aimed at assessing students' perceptions of how homework influences their grades. This involved surveying students and conducting analysis on the collected data. Demonstrated teamwork skills as well as data analysis skills.
