

Corey Abdool

Lake Worth, FL | (561) 877-9238 | abdoolcorey@gmail.com |

Education

Florida Atlantic University, Boca Raton, FL

August 2023 - Present

Bachelor of Science in Biomedical Engineering

Expected May 2026

GPA (Cumulative, Unweighted): 3.692

Doral College, Doral, FL

June 2019 – May 2023

Associate's degree, Summa Cum Laude

Key Skills

Technical Skills: Python | MATLAB | Arduino IDE | SolidWorks | Microsoft Office Specialist: Expert | LabVIEW | Simulink

Relevant Coursework: Genetics | Statics | Dynamics | Circuits | Differential Equations | Signals and Digital Filter Design | Robotics

Bioimaging | Biomaterials | Control Systems | Strength of Materials | Stem Cell Engineering | Methods in BME Research

Bio signal Processing | Fluid Mechanics | Biomedical Instrumentation Measurements | Engineering Design

Projects

Freshman Projects

- Collaborated with a team of 4 to design, create, and test a mini SeaPerch submarine.
- Programmed and constructed a miniature self-driving car using an Arduino
- Constructed a bridge of popsicle sticks

Personal Projects

- Created a game through use of block-based programming: <https://makecode.com/RTw1MFUsh4pC>
- Created alternative input for computers using Arduino and took input from eye movements and sound
- Modified programming or repairing of various electronics.

Infant Car Seat

- Created a design for an infant car seat that is safer and more comfortable
- Complied with CFR standards, and added quality of life improvements

Work Experience/Research

Pharmacy Technician, Publix Pharmacy, Lake Worth, FL

June 2023 - Present

- Assisted patients in obtaining medications and vaccinations.
- Communicated with insurances to resolve coverage disputes and correct errors.
- Communicated with doctors to refill, clarify, and assist with the verification of medications for patients.

Activities

Adobe Certified Professional Visual Design

August 2022 – May 2023

FAU Owls Racing

February 2025 - Present
